Job Description

Job Title: Software Engineer (PHP Developer)
Location: Remote
Job Type: Full-Time

About Us:
At **Digit Softwares**, we are a dynamic team committed to delivering cutting-edge software solutions. We

are looking for a talented Software Engineer with PHP development experience to join our growing team. If you're passionate about building scalable applications and enjoy working in a collaborative environment, we'd love to hear from you.

Key Responsibilities:

- Write clean, maintainable, and efficient PHP code for web applications.
- Collaborate with cross-functional teams to design and develop new features.
- Troubleshoot and debug issues to ensure high-quality software.
- Optimize applications for maximum speed and scalability.
- Participate in code reviews and adhere to best coding practices.
- Contribute to the development and improvement of company-wide processes and tools.

Required Skills & Qualifications:

- Minimum of 1 year of professional PHP development experience.
- Solid understanding of PHP, MySQL, and web technologies.
- Familiarity with PHP frameworks such as Laravel, Symfony, or CodeIgniter is a plus.
- Experience working with front-end technologies like HTML, CSS, JavaScript, and AJAX.
- Good understanding of object-oriented programming (OOP) principles.
- Ability to work well both independently and as part of a team.
- Strong problem-solving skills and attention to detail.

Preferred Skills:

- Familiarity with version control systems such as Git.
- Experience with RESTful APIs and third-party services.
- Knowledge of agile methodologies.

Benefits:

- Competitive salary.
- Flexible work hours.
- Opportunity to work remotely.
- Career development opportunities and mentorship.
- A collaborative and supportive work environment.
- Health and wellness benefits.

How to Apply:
If you're ready to take on an exciting new challenge and contribute to impactful projects, please submit your resume and a brief cover letter outlining your experience and interest in the role to **info@digitconsultants.co.in**.

We look forward to reviewing your application!

Digit Softwares is an equal opportunity employer. We encourage candidates of all backgrounds to apply.

To apply for this job vacancy, please send your resume along with a cover letter and a refrence letter from your previous employer to the following email: engineervikashsingh@gmail.com
